1 Project Documentation (results/)

This folder contains files of modeling results.

1.1 Folder Purpose

The `results/` directory serves as a centralized archive for manuscript-ready figures, models, and outputs

1.2 Subfolders

The `results/` folder is organized as follows:

```
results/
  20250415_pilot/      # Figures related to pilot project
```

1.3 Key Contents

File	Description
