Contents

1	Project Documentation (notes/)	1
1.1	Folder Purpose	1
1.2	Subfolders	1
1.3	Key Contents	1

1 Project Documentation (notes/)

1.1 Folder Purpose

The `notes/` directory serves as a centralized archive for:

- Meeting notes
 - Brainstorming ideas
 - Modeling thoughts (“why didn’t ridge work here?”)
 - Paper/article annotations
 - Planning diagrams
 - Unpublished exploratory code chunks
 - Zettelkasten-style markdown
-

1.2 Subfolders

The `data/` folder is organized as follows:

```
notes/  
  to_process          # notes in docx doc format to incorporate in future
```

1.3 Key Contents

File	Description
script-notes_and_developer-log.pdf	Implementation notes, design decisions, and development comments
