1 Project Documentation (notes/)

1.1 Folder Purpose

The `notes/` directory serves as a centralized archive for:

- Meeting notes
 - Brainstorming ideas
 - Modeling thoughts (“why didn’t ridge work here?”)
 - Paper/article annotations
 - Planning diagrams
 - Unpublished exploratory code chunks
 - Zettelkasten-style markdown
-

1.2 Key Contents

File	Description
<code>script-notes_and_developer-log.md</code>	Implementation notes, design decisions, and development comments
